POLY-MAX™ OUTDOOR FLAGS

Recognized as the most durable of all flag fabrics, these Poly-Max™ Military Flags are skillfully crafted of 2-ply polyester bunting. Its unique open weave construction reduces wind resistance, therefore lessening abrasion and increasing flag life. Resists wear to wind, dirt and moisture and is ideal for industrial, institutional, commercial or residential applications. Designed specifically for the needs of the most discriminating customer, these flags will prove to be the most durable, longest lasting flags available.

Marine Corps, Army, Navy, Air Force and Coast Guard are available in a 3' x 5' size.

Single Face POW-MIA Flags are available in 2' x 3', 3' x 5', 4' x 6' and 5' x 8' Sizes

Double Face POW-MIA Flags are available in 2' x 3', 3' x 5', 4' x 6' and 5' x 8' Sizes

Made in U.S.A.

We also have Poly-Max U.S. and State Flags
